Option 1: Planning to use **Federal Student Grants and Loans** to pay for your schooling at Great Oaks?

Follow these easy steps:

- Create a FSA ID and Password** (*parents of dependent students must do this step too!) Go to fsaid.ed.gov/npas/index.htm. Please be sure to write down your (and your parents) FSA ID, as it will be needed for future steps!
- Complete the 2017-2018 FAFSA® (it's FREE!)** Go to fafsa.ed.gov/. Our federal school code is 014694. Please be sure to use your 2015 tax information and the IRS Data Retrieval Tool.
- Resolve Issues (if any)** Wait at least 1 week after submitting your FAFSA for the Financial Aid Office to contact you about your next steps.
- Review and Complete Award Letter and ALL Online Processes** Carefully read, sign, date and return all 4 pages of Award Letter to the Financial Aid Office. Then go to studentloans.gov/myDirectLoan/index.action# to complete all mandatory online processes from page 2 of the Award Letter (your parent(s) may need to complete online processes as well).
- Pay Balance Owed (if any)** Follow the directions on the invoice sent to you by the Bursar after you have taken and passed all 3 WorkKeys® tests.

*Dependent Student = under the age of 24, not married, doesn't have dependents, not serving on active duty, not a veteran, not an orphan, not homeless or emancipated.
