

COURSE DESCRIPTION

DEFENSIVE TACTICS INSTRUCTOR

This 5-day, highly dynamic course is like no other because it provides useful defensive and countermeasure skills in all three zones of defense, especially for close quarter battles (CQB) and effecting the arrest. It relies heavily on practical, hands-on applications and is intended for those who want instruction in the proper uses of both soft and hard empty-hand techniques, weapons retention, and use of straight batons (expandable or rigid) for self-defense. The course also provides subject-control for escort/takedown and handcuffing, handcuffing techniques for passive and active resistant individuals with chain and hinge cuffs, along with proper usage and application of aerosol OC.

COURSE OVERVIEW

With a format that combines the proven effectiveness of the Basic Monadnock® Defensive Tactics System Course, the comprehensive Monadnock Expandable Baton dynamic hands-on curriculum, the proven restraint techniques of the Hiatt® Handcuffing Course and the time-tested Defense Technology® OC Instructor Course, individuals will learn how to utilize the skills, information, technology and tactical options to meet the challenges of the job, and provides them with the proper skill set necessary to return to their agency and provide training to others.

- Empty-hand defense, active countermeasure techniques, control and takedown techniques
- Instructor development
- Utilizing expandable/straight batons for defense, control, escorts and takedowns
- Oleoresin Capsicum formulations/carriers
- Transitional control for overcoming subject resistance and de-escalation considerations
- Establishing proper and practical anatomical control for the purpose of effecting the arrest
- Effectiveness/safety/liability factors

COURSE BENEFITS

This course is taught by leading experts who have real-world experience in both psychomotor skill programs and field applications of those skills. Our instructors are either active or former SWAT, CERT, Military and/or Supervisory professionals with years of knowledge and experience as a Master Instructor. The class will provide the student with the instructor-level training needed to return to his/her agency and, as that agency's instructor, develop and conduct a specialized program designed around the agency's exact operational needs in the area of Expandable/Straight Baton, Handcuffing, OC and Defensive Tactics for sworn personnel.
